> Ayer's Cathartic Pills, os of a Family Phy-

are mild, but es feetual in their without pair hhongh gentl searching cathar tic medicine that can be employed; cleans ing the stomach and bowels, and even the blood. In small doses of one pill a day they stimulate the digestive organs and

Aven's Pitts have been known for obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rurely withstand or evade them. Not only do they came the average was applied to the corrections within their range can rurely withstand or evade them. Not only do they came the average the several results of the corrections within their range can rurely withcure the every-tay complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce power-ful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed.

They reach the vital fountains of the blood and strengthen the system by freeing in from the elements of weakness. Adapted to all ages and comittees in all climates, containing neither calome-nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being many vesseable no house. being purely vegetable, no harm can arise m their use in any quantity.
